If you feel that we have overlooked anything pertaining to your health, please add it to the package.

If you need further clarification, feel free to call us at the office 519.271.0763.

Important : Please bring completed forms to your initial consultation along with any supplements and medications you are currently taking. If the appointment is for a child under the age of 18 years old, please ensure a parent or legal guardian signs all consent forms.

Thank you for your time. We look forward to helping you achieve your health goals.

office policies

To facilitate the efficiency of our office and to ensure that you will derive maximum benefit from the care offered, we have established the following office policies:

- 1. Full payment is to be made at the time of your visit. We accept Cash, Cheque, Debit, Visa or Mastercard.
- 2. We respectfully request a minimum of 2 business days notice in the event that you cannot keep your appointment so that someone else on our waiting list could be accommodated. Otherwise we would have to bill you for 50% of your missed appointment fee. We understand that there are unforeseen events and circumstances, and these will of course be taken into consideration. Our answering machine is available outside of business hours to take messages.
- 3. With the number of clients we thoroughly interview, assess and treat, timing is crucial. For the respect and convenience of our clients and for the efficient operation of our clinic, we endeavour to keep scheduled appointments on time. However complications and emergencies do arise and in these circumstances, we appreciate your patience and understanding. You also will receive the devoted time and care of your doctor. Please note that when you arrive late for your appointment, only the balance of the time that was booked for you can be used.
- 4. We reserve the right to discharge any case where:
 - the Naturopath feels that the case is beyond the scope of practice of this clinic.
 - the Client refuses to co-operate with the recommendations mutually agreed upon.
- 5. We are required by our licensing board to perform a physical examination on each new client. This will be adhered to unless a full report is sent by the referring practitioner and that report is accepted by this office.
- 6. Telephone and e-mail consultations provide a professional service and as such will be subject to a fee on the discretion of the attending Naturopathic Doctor.

Katherine Ackland B.Kin., N.D. Courtney DeBoeck BSc, N.D. Holly Johnston BSc, N.D.
